

Community Guidelines

It is very important that residents are respectful of their neighbors when living in a condominium community. The guidelines listed below represent some, but not all of the Occupancy and Use Restrictions. For additional details, please refer to the Pottsburg Crossing official documents located on our website at: www.pottsburgcrossingcondos.com

Residents may not store personal property in a garage and then park personal vehicles or guest vehicles in the unassigned community parking spaces. Residents' vehicles must be registered with the Association and display a resident parking decal in the rear window of the vehicle. Residents parking in the unassigned community parking spaces without having a valid decal in the rear window will be in violation. Any vehicle belonging to a guest of a Pottsburg Crossing resident must display a guest parking pass on the dashboard in clear view. This parking pass is available on the community website – www.pottsburgcrossingcondos.com. **At no time is parking allowed on the sidewalk or grass. Violations will result in towing without warning. Vehicles PROPERLY parked in the unit driveway that extend onto the sidewalk are not subject to being towed. As a courtesy, temporary parking on the street is allowed for no more than 15 minutes during daylight hours (sunrise to sunset).
